BRAND IDENTITY & USAGE GUIDELINES — 2025

LOGO SYSTEM

Our Mark

The RIAMRIAM mark is built on a peace dove rising above broken weapons, framed by an olive wreath — symbolising reconciliation, hope, and transformation. Always use approved artwork files; never recreate or alter the symbol.

CLEAR SPACE & SIZING

Breathing Room

Always maintain a minimum clear space equal to the height of the letter "R" in the wordmark around all sides of the logo. Never place the logo smaller than 24px tall for digital or 10mm tall for print.

RIAMRIAM

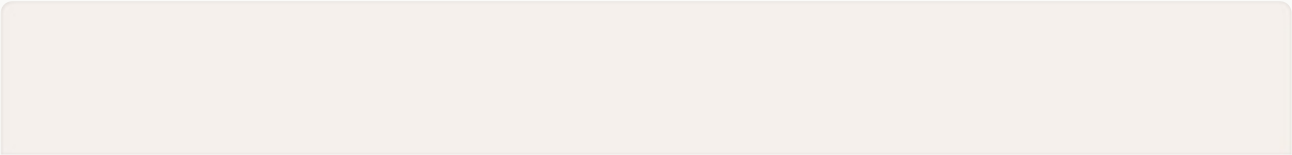

The dashed border represents the minimum clear space boundary — no text, imagery, or graphic elements may enter this zone.

03

COLOR PALETTE

Brand Colours

Drawn directly from the dove's natural tones, the olive wreath, and the broken arms — our palette is earthy, dignified, and grounded in meaning.

USAGE RULES

Do's & Don'ts

Consistent use of the RIAMRIAM mark ensures it remains recognisable and retains its authority. Below are the essential rules for correct application.

✓ DO

Use the logo on approved backgrounds — white, parchment, sage green, and charcoal.

✗ DON'T

Place the logo on busy photographic backgrounds without a solid colour block behind it.

✓ DO

Maintain the minimum clear space on all sides as defined in section 02.

✗ DON'T

Stretch, skew, rotate, or otherwise distort the logo in any direction.

✓ DO

Use the reversed (white) version when placing the logo on dark or coloured backgrounds.

✗ DON'T

Recreate the logo in different colours, apply gradients, or add drop shadows or glows.

✓ DO

Use the icon-only version at small sizes (below 40px) and in favicon/app icon contexts.

✗ DON'T

Add taglines, supporting graphics, or other brand elements within the logo's clear space.
